Dear Resident of Cherry Creek:

The Town of Cherry Creek will begin working on sanitary sewer improvements around the Town to provide a more reliable sewer service. Construction will be performed by STC Construction, Inc. whom the Town has contracted with to complete all work associated with this project. Sewer construction is anticipated to start on **October 13, 2025** and anticipated to be completed by **October 31, 2026**.

Project Locations: Main Street, South Main Street, North Main Street, Backlot of 6820 North Main Street, Center Road, Southside Avenue, and Railroad Avenue

Anticipated Hours of Construction: Monday to Friday 7 a.m. – 3 p.m.

Vehicular traffic and parking may be affected at times throughout the course of the work. Please note that local traffic, school and bus routes, emergency vehicles and pedestrians will have access around the construction area at all times.

Thank you in advance for your understanding and cooperation. We apologize for any inconvenience this construction project may cause.
